

Research Assignment
Important Places in *Walk Two Moons*

*Locate these landmarks and cities on your map
as we accompany Sal on her journey!*

- Chicago, Illinois
- Lake Michigan
- Madison, Wisconsin
- Pipestone National Park, Minnesota
- Sioux Falls, South Dakota
- Missouri River
- Badlands National Park, South Dakota
- Black Hills, South Dakota
- Mount Rushmore, South Dakota
- Old Faithful Geyser, Yellowstone National Park
- Rocky Mountains
- Coeur d'Alene, Idaho

These are the locations we will be researching. Your group has several jobs to do.

1. You will be assigned a topic to research. The topic will be of an important place in the novel. These are the places that Sal visited on her journey to Lewiston, Idaho.
2. First, you and your group members will answer several questions about the place.
 - a. Where is the place?

- b. Why is it important in United States History?
 - c. What are the interesting points to know about the place?
 - d. Why is the place important in the novel *Walk Two Moons*?
3. When you have answered the questions, it will be time to make the Haiku Decks presentation.
